Order on Ampristic
personnel with -

"Never to be given
any materials or training
or audity in grades V, VI,
~~and~~ VII and VIII or to
receive any audity, all
regardless of amnesties
or pleas to reenter Scientology

This applies to any
one joining their group.

I am putting a short
public warning from
Ethics S.H. in Auditor 10
not naming them and

ask them, anyone they
contact to inform us.

See HCO Exec

Ltr 27 Sep 65.

Our policy is not
to publicly mention
them by name or
to name circumstances
as such; just to
refer to them as a small
group led by a
homosexual who was dismissed for
homosexuality and theft.
